# Referring patients to **The Westbourne Centre**

The Ramsay Health Care online portal has been designed to enable you to refer private patients easily, quickly and securely to their Ramsay hospital of choice.

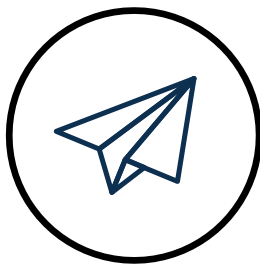

To make a private referral, visit [ramsayhealth.co.uk/patientreferral](https://ramsayhealth.co.uk/patientreferral) and complete the short form.

The Westbourne Centre is able to receive self-funding, medically insured and NHS referrals. To refer an NHS patient, please use the e-Referral Service (e-RS).

Should you have any queries, please contact your dedicated Private Patient Team who will be happy to help:

**Carly Dalton - Private Patient Manager | 0121 456 8149 | [carly.dalton@westbournecentre.com](mailto:carly.dalton@westbournecentre.com)**

**Amy Morris - Private Patient Co-Ordinator | 0121 456 8149 | [amy.morris@westbournecentre.com](mailto:amy.morris@westbournecentre.com)**

Simply send a referral letter via our secure online system.

In the meantime your patient can contact their local Ramsay Hospital directly to arrange a convenient appointment.

If your patient does not contact us, we will contact them to arrange an appointment using the details provided on the referral.

Administration Team: 0121 456 0894

Find us on e-Referral Service, by searching for the service required.

# Private Patient Manager

As The Westbourne Centre is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Manager service.

Carly Dalton is available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. She is able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

## What our Private Patient Manager offers

Carly Dalton will:

- Be a point of contact for all private patients.
- Manage the private patient journey.
- Answer private patient queries within 24 hours Monday to Friday.
- Walk patients through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.
- Social events and networking opportunities.
- Medical secretary workshops.
- Regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.
